Tertiary **Scholarships** & **Loans** Service
Empowering Fiji's Future

GET TO KNOW ABOUT US!

The Tertiary Scholarships and Loans Service (TSLS) is a Statutory Institution established under the Tertiary Scholarship and Loans Act 2014 ("the Act") to administer and implement Government funded scholarship, study loan and grant schemes. TSLS is responsible for ensuring transparent and accountable management of Government funding. In doing this, TSLS focuses on achieving demand led human capital development outcomes for Fiji.

ABOUT THE 2026 TSLS SCHOLARSHIP POLICIES HANDBOOK

The 2026 TSLS Scholarship Policies Handbook is designed to provide all prospective recipients and the members of the public on three (3) schemes of study grants, fourteen (14) schemes of scholarships and one (1) study loan scheme.

Looking for **complete ICT Solutions?**

We've got it!

PACIFIC TECHNOLOGIES PTE LIMITED

We Provide

- Tailor made software for -most industries
- Digital Transformations
- Mobile App Development
- Customized Software Development
- ICT Consultancy
- Vulnerability Assessment and Penetration Testing on Networks
- Full System, Network, Cybersecurity Audit
- Complete turnkey solutions for all your ICT requirements
- ISO Certifications

Banks and Financial Institutions Solutions

- CORE Banking – Full suite of products
- Prepaid Card Solutions
- Credit Card Solutions
- Commercial Card Solutions
- Microfinance Solution
- Automatic Teller Machines – Solutions
- Internet Banking
- Mobile Banking
- Money Transfers
- Microfinance Systems
- E-commerce Payment Interface Systems
- Enterprise Application Integration CORE Banking – Full suite of products

We also have the following Solutions

- Hospital Management System
- Telehealth Platform
- Mobile Health Applications
- Human Resource Management System
- Payroll Management
- Fixed Asset Management System
- Warehouse Management System
- Document Management System Hospital Management System

We have Decades of Knowledge, Experience and Expertise in ICT to assist you with all your Technology needs.

FORTINET | datec

Fortinet's Commitment to Product Security and Integrity

The Fortinet Approach

Secure product design lifecycle covers every stage, from design through end of life.

Security is baked into the product from first conception.

Strong product scrutiny at all stages of the product development lifecycle, internal and external.

Rapid remediation with a transparent incident response plan.

Operating as a partnership with our customers, transparently sharing information and feedback.

Collaborating with the industry to develop and implement stronger standards for the benefit of all our customers.

White Pages is where Fiji turns for contact information for people, businesses, government departments and community organizations. Advertise in the Fiji Telephone Directory.

The FIJI TELEPHONE DIRECTORY is within reach of prospects 24 hours a day, new homes, offices, stores & factories. It reaches newcomers in town and reminds existing customers where to find you.

Let the White Pages Network help your customers get in touch with you 24 hours a day, 7 days a week, 365 days a year.

THE MISSING PIECE. The Fiji Telephone Directory. Advertising with us is a worthwhile investment.
